

### REMARKS

Claims 1-24 issued as United States Patent No. 6,613,319 on September 2, 2003.  
Reissue of the present application is requested.

Applicant has amended the specification to recite the claim for priority under 35 U.S.C. § 119 and 120.

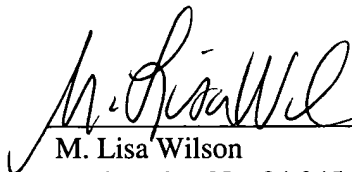

Applicant has amended claims 1 and 11 to correct inadvertent typographical errors. These errors are typesetting errors that are the responsibility of the United States Patent and Trademark Office. These errors could also be rectified by a Certificate of Correction, but are submitted herewith in order to conserve United States Patent and Trademark Office resources. Thus, no fee is required.

None of these amendments adds new matter. Applicant believes this preliminary amendment is proper and respectfully requests entry thereof.

Early examination of this reissue application is respectfully requested.

Respectfully submitted,

December 1, 2003
